“ Lil Kris was one of the first people I met on the rave scene back in the mid 90's. Many nights of blowing up on the dance floor together and hangin our with mutual friends resulted in a 20 year friendship. We watched one another grow up. I'm so thankful for the memories I will always Cherish and for the opportunity to get to know such an amazing woman. RIP LIL KRIS.

“ I met Kristy over 20 years ago. Although we were not close, she made quite an impression on me. She and her friends used to attend parties our company held, and she was one of the cutest, sweetest young women; that always came to our events! It's been six or so years since I saw her last; but even though I didn't know her closely, I'm still very saddened with her passing. Rest in Peace "Little Kris".

“ Kristy has left her family with many wonderful memories and most importantly, a beautiful daughter, Ireland. Her love for her family and her special relationship with her mother, Jenny, will be held close to their hearts forever. Kristy had a special place in her heart for people that were struggling and it meant a lot to her to do what she could to comfort them. We will miss Kristy at our family gatherings and through the holidays but we have comfort in knowing that her celebrations will be with our Lord Jesus Christ in Heaven.

“When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.” Kahlil Gibran
