“ In this life we come across so many different people, some we connect to and some we don't. I am absolutely grateful for having the opportunity of meeting such an open and honest person as you. We met at Mercedes and you always made leasing my cars so easy, mainly cause you did everything for me 😊😊 I use to be late getting back to work for sitting up at your desk chatting about everything ..when you left Mercedes I was heartbroken but I knew you always had to do what was best for you and your family...I will miss your smile,your spunk and your witty ways....to your lovely wife and family I am so sorry, praying for peace and understanding 🙏🙏
