There was never a project too big or small that he could not do. He helped build Union Springs Baptist Church on Hwy 79. When his children where little at night before tucking them in the bed he would read them his favorite bible verse which was John 3:16. Allan would make friends anywhere he went rather it be at the local Wal-Mart or the Doctor’s office. He dearly loved his children , grandchildren , and great grand children . Allan was known as a big

ALABAMA fan. When he was not working he would always take time to watch a good football game. If not watching a game you could find him on a fishing bank or a shooting house . Those were things he loved to do in his down time. Allan never really retired one of his last jobs was working at the Deli inside the Piggly Wiggly in Columbiana . Allan was loved by so many . He will be greatly missed . Until we meet again WE LOVE YOU ALLAN (AKA) DAD AND PAPA.

“ *Enjoyed being with Allen on family birthdays and ball games with the Leach kids. One memory was when Allen played the guitar and sang a song at one of the kids parties. Special prayers for Jason, Brandy, Randy, Mark as they go thru these next few days.*
