“ *A.W and I went to school together at Hewitt High. I remember him as very friendly and humble and very likable. Looking at his picture he hasn't changed much, just some great hair. I had the opportunity to sit and talk to him about a year ago at his great grandson's birthday party which was next door to our house. We have become close friends to Mike, his grandson, and his children are so special to us. A.W. may you rest in peace Buddy and you have worked so hard all your life. This old friend has a lot of respect for you.*
