“ *So sorry this happened. I am praying for the whole family and especially Betsy and the kids. April was a dear friend to my daughter and she stayed at our house a lot and you could not have found anyone nicer, prettier or more giving than her. I will miss her on FB but she loved and missed Tony and is now with him. I think when Tony passed April gave up fighting the devil. I know one thing that is for sure she is heaven and Mrs. April will be my guardian angel for me because I loved her and she loved me and this will never change. Kisses April...*
