“ *The Bradshaw family will never forget this sweet woman of God. The Lesley family and the Bradshaw family have so many memories that it is hard to pick just one, but I guess our trips to Gatlinburg are some of my personal favorites. They always cut up with us and with each other. They joked around with each other like children and I could see the love exude from them. It is one of the reasons I live in that area now. They were very active at Vann Valley and dinner on the ground and dinner at their house was always a great special treat because that woman could cook!!!!!! Lol! I was also blessed that my mom worked with her at Chalkville bc it always meant special treats after school and even at lunch some days. We will never, ever forget her. Our prayers are with u guys Bernice, Ron , Jeremy and the rest of the clan. I can bet she ran into Bro. Milton arms and then Ralph ran into hers and spoke and heard just fine. We love you guys immensely and hate that being positive for corona kept us from paying our respects in person.*

Many Blessings

“ So sorry to hear of your Mom's passing. Even though I didn't know her.
I feel like I did. I'm sure she is happy to be with your Dad again. May God be with at this time and always.

“ *Bea was such a sweet christian friend. She was always ready to listen and help if she could. We could always count on her and brother Lesley to help on whatever project at Vann Valley Church we had going on. She was a great cook and always out did her self when we had church dinners but what I remember most of her was her kind loving spirit . I know she is with Milton now and very happy*
