“ Mike and Sue, my thoughts and prayers are with you. I have so many good memories with "grandmother" at sporting events. She was always so much fun. Love to you and your family.

“ One of my best memories of Nana was when we were at the Mexican restaurant up the hill from Target and Home Depot for lunch with Uncle Mike and Aunt Sue, Nana And Granddaddy, Josh, my parents, Mimi and maybe a few other people. When the waitress came to take Nana's order she suddenly complimented several things about the waitress and we all started cracking up while she seemed clueless as to what we were laughing about.
