“ *I just learned of Billie’s passing. As a child when she married my Uncle Earl, I thought she was so beautiful and she stayed that way throughout her life, both inside and out. I have called her periodically over the past few years, but it had been a few months since our last conversation. I’m saddened to know she is gone.*

Thank you John. Our best wishes to you and your family.

My mother was a "stand up" human that devoted herself to goodness and always quick to laugh even while stress was in the air.
