“ *Billy was a dear dear friend. When he started coming to Shag years ago, I introduced myself and my husband. I have been President several times since he joined and my husband has been chairman of our big Shag-A-Rama Party in Panama City several years. Billy has helped both of us in many ways. If I ever asked he to do anything, he did it. Billy was not the best dancer, but I loved to dance with him and would always asked him to dance. He always had a smile for me, and we cut up a lot. He and my husband bought trucks the same year, and all they could do was talk, talk. Billy was a very smart guy, kind, and very loyal. He would give you the shirt of his back. I loved him dearly and I am really really going to miss him.*

*My prayers will be with you the family as you go forward without him. Just remember that he loved you, and that he was loved by many. I wish I could have met you all.*
