“ *I am very sorry for your loss of your son Brett. He was a special young man that will be missed by so many. He touched so many different people and helped them even without knowing it. I hope you found peace in knowing that. I will keep you and his daughter along with the rest of your family and his friends in my prayers. God Bless you.*

“ *Robert, Ester and family,*

I have no words that can help you right now. I can only tell you how very sorry I am for your loss and and that I'm praying for you all. I know what you are feeling right now and my heart is broken for you. I lost my Burke when he was 34 also. I didn't know how I would ever get through loosing him but God carried me through. It has been a long, painful process but just trust that God knows your pain and will always help you. Much love to you and I will continue praying for peace and comfort for you.
