“ I have known Roger since the mid 1970. Always had the highest regards for him. His demeanor & calmness of mind or manner with his responsibilities as store manager in the grocery business all of those years. I wondered how he was able to maintain that in dealing with some of the customers & vendors. Never heard him use a curse word. Layne, Drew, Tucker, Randa,, Chuck you have lost a very fine man. I am blessed having known Roger. God Bless all of you.
