“ I worked with Carolyn at Grandview Hospital. She was a great employee and a great friend. She was always ready to help you. She would handle the switchboard calls quickly, but there would be times when some of the calls took a moment.; It is because everyone wanted to say hello to her and ask her how she was doing. Seems everyone wanted to talk to Carolyn. I know she will be missed by so many of us here. Carolyn loved her children and grandchildren, as she talked about them all the time. So to her family and friends, I offer my love and deepest sympathy. We will all miss her.

“ As my heart is heavy today, I could not make it. I do send my prayers and condolences to Mark, Tim and Catherine. She touched our lives like she touched yalls. She always had an open door for me way back in the 79's. She was truly a blessing to anyone she met.

“ I will never forget that sweet voice on the other end of the phone, “this is Carolyn May I help you” . And indeed she would! She never got annoyed with the nurses for calling the operator for stuff verses looking it up ourselves. She always happily helped us! I have no doubt she could have helped us contact the pope! Rest In Peace sweet lady! You were a joy to work with all those years !
