“ I remember her passion for life & animals..i remember how kind she could be and very giving of herself and things...if you needed something you didnt even have to ask, she just did it...i remember how much she loved her dogs buddy, tank & my favorite yo. She was a kind soul and was trying to get back on track...she loved working outside and tending to her plants. She loved eating tomatoes right off the plant..Im really missing you right now Carrie and I will see you again...Fly high & rest easy.. GOD has you now and you will be missed and remembered...I Love You.. Randy

“ I am so saddened for Carrie's family and for all of us who knew and loved her. Tony and I have gotten to know Carrie for the person she was and our lives have been enriched because of her. Both she and her sweet furbaby will be missed.
