

Charlene Loretta Montgomery

June 30, 1949 - November 6, 2021

Charlene Loretta Montgomery, born June 30, 1949, unexpectedly left her final mark on this world, November 6, 2021. She was extremely honored to serve her country as a United States Marine, straight out of high school. Another of her greatest accomplishments was overcoming a very difficult battle with breast cancer. Everyone that knew her, knew she had another major daily struggle, retinitis pigmentosa that stole her vision. Don't be fooled, this was not a vulnerability, she was still as independent as she was with her eyesight. She had no issues being alone and getting things done her way. She wouldn't let any obstacle prevent her from living life the way she wanted. She was truly a survivor and would not have gone without putting up one hell of a stubborn fight.

Charlene's greatest joy and source of happiness was her family. Her role as a mom, grandma and great grandma was what truly brought her the most pleasure and satisfaction her entire life. Her love was unconditional, unwavering and will be greatly missed. You truly don't understand what you have until it's gone. If there is one thing Charlene would want from everyone is to make sure you never let a day go expressing your love to everyone dear to your heart.

Charlene is survived by her brother Dale Clearwater, Daughters Wanda Dohm (Erik) and Cheryl Bessette, 6 Grandchildren Timothy Wiggins (Courtney),

Bradley Dohm, Katherine Dohm, Connor Bessette, Sean Bessette and Ryan Bessette, 2 Great grandchildren Zachary Wiggins and Thomas Akins.

Her brother Chuck, gets an honorary mention because he also recently passed, and without a doubt is keeping Charlene company and cursing her out for joining him too soon.

A little twist on a phrase she said quite often, "And things will go on."
go on."

Tribute Wall

CD

“ *There isn't really 1 memory to pick of my mom. I just remember how giving she was and how she worried about everyone else. She loved her kids and grandkids more than anything else in the world. I love you mom so very much and miss you terribly.*
