“ *My best friend for over 80 years! We played together as children, went to school together, were roommates in college, honor maids in each other's weddings and although kept apart by distance, when we were together it was if we had never been apart. I will miss her but I'll keep my wonderful memories!*

“ I remember Aunt Charlotte as full of energy and always having a welcoming smile. And I remember the family reunions, although I wasn't as big of a participant as I should have been. I will always have loving memories of Aunt Charlotte and Uncle George and the beautiful family they brought into this world. Much love to the family, and Semper Fi from one military family to another.
