“ I thankful for the comfort she gave to me in a great time of need. I have never forgotten the love she showed me. I Cherish all of the memories of our times with St. Michael's Episcopal Church and her close friendship with my mother Arlene. I remember all the dancing and wine and cheese parties and clog dancing. I am so thankful for the bond of friendship her daughter Charlain and I have and very happy in knowing our mothers loved our closeness . Charlotte loved hearing about my family and I knew I could always call her if I needed her. Her love for my mom and their friendship never went away even when time passed by. I know in my soul they are laughing again in heaven and celebrating Charlotte's homecoming. I am keeping Art in my prayers as I know he misses her so much and she was his true love. To all of the Harding family I pray your hearts are warm from the love and special memories, and although there will always be a tinge of sadness that each of you are blessed because you are loved and always will be by your wife, mom, sister, aunt, and grandmother. She truly touched so many lives with her strength and her faith and her love of family and friends and most of all her love of God. Charlain I love you dear sweet friend, I am so proud of you and all that you have given to the live and care of your parents, and so very thankful to have you and your family in my life. God bless all of you, and Charlotte hug momma for me, always, Kim D.
