

Christopher Rex Pattillo

August 26, 1994 - January 4, 2020

Christopher Rex Pattillo, born August 26th 1994 in Montgomery Alabama, sadly and unexpectedly left us on the morning of Saturday, January 4th, 2020 in Birmingham, Alabama. Christopher had a larger than life character and personality that served him well as a child and into adulthood. He had a passion for the arts and learning which he managed to combine with a Bachelor's degree at the University of Montavello. His achievements were not confined to college, he embraced the church and became an ordained minister and actively participated in politics at local and state level. He embraced college life to its fullest and such was his reputation that he was employed by the University as an Admission Assistant after his graduation. He will be best remembered for his combination of mischievous antics and his eloquent and comforting nature. For those that were lucky enough to receive one, his big big bear hugs will never be forgotten. Christopher is preceded in heaven by his grandfather, Wesley Stokes and his great grandfather, Frank Matteo. He is survived by his mother, Cindy Tipton and husband, Bill Tipton and stepsister, Jordan Tipton; his grandmother, Linda Stokes; great grandmother, Ruth Matteo; his great aunts, Marilyn Summerville and Tami Cooper, husband Eric Cooper (Zach and Maddie); his aunt, Teri Ward and Husband John Ward; loving cousins, Joel and Kayla Huffman, (Laiken, Tyde and Harbor); Jessica and Daniel Bailey, Dani Sue and Steven Huffman, Ashley, Isaac and Masha, Denise and Eddie Wright, (Mia and Maci).

“ *Chris, our little PTK chapter loved you so much we asked you to visit our campus and speak guidance to our students and their families 2 years in a row. You were so much fun! Your smile and attitude were always contagious. You were the epitome of love, guidance, and encouragement. My heart is broken to have lost you on this earth but I rejoice in knowing I'll see you again someday. You will always be in my heart, Dear Chris.*

“ Where do I even start...my heart is so broken. You were larger than life. To know you was to love you. I'm so lucky that you were my family. I will miss those amazing hugs & your playful spirit. I know you would hate that we were all crying but I just can't help it. You were so much more than a cousin you were a son. I love you Christopher for ever & always. In your words of wisdom, “ Stop frowning, it causes wrinkles!”❤️

“ *Christopher, I don't even know where to begin . My heart refuses to believe you are gone , never to hug me again. I'll miss you baby , you left a massive void in my life that no one will ever fill. I'll try my best to carry on with that big , melting smile and aggravate nana every now and again for you 😊
I'll feel you in every ray of sun and hear you in every song.
