“ Robert, Becky, and Family,  
We are sorry for your loss. Nothing anyone can say or do will make the loss of her easier. God took her at her time. He needed her for a purpose. As you go on day by day, just know that you will see her again one day. Our thoughts and prayers are with you.

ME

“ What can I say we had so many memories. The one that I love the most is when she stayed the night with Kristie and I and mom asked me to throw some cake out. Kristie opened the door and Christy and I stepped out onto the porch and I smashed it in her face. The look on her face was priceless. Now grant you she got me also. We had so many fun times. I will miss her sweet voice when we talk. We loved to talk on the phone. We should have took stock out in Windstream. Although I know she is looking down on us and she is in the arms of our father. I will miss her dearly. R.I.P Christy we love you!!!
