“ Dale was one of a kind! He gave us many laughs and memories. He always treasured his wife and was loyal to her through good times and bad. It was a love like no other. We will always remember his architectural talent as well as his art through paintings. Texas trips will always be special to us. We took Dale everywhere we could, camera in hand for painting inspiration. He loved the outdoors. May he rest in peace in the presence of his Godly Father.

“ If you asked me about Dale Mitchell, about his life, who he was I would just sit back & smile! We loved him so much! Dale had a very quiet strength about him, full of wisdom and would always give much thought to an answer if you asked him something. Dale was fun loving & playful. He never missed an opportunity to get down in the floor & play with the children since he was just a big kid himself at heart. Dale was not only my brother in law but also my brother in Christ. He loved his Lord Jesus Christ and always carried his Bible with him wherever he went willing to be a witness whenever he could. Dale never met a stranger! He just had a big love for everyone. We will miss you now but know we'll see you again one day.
