“ I had the honor and privilege of working with Dan at UAB Hospital. While working with him I found him to be a hard worker. He was always willing to give it his all. Quick to lend a helping hand. He treated all he met with respect and everyone who met him was his instant friend. We would talk about his life experiences of which there were many. His was a life well lived. He, like most humans probably had regrets, but they were few. There was never a dull moment being around Dan. He was fun loving in a good way and very outgoing. He was never scared to let his true self shine through. He lived his life like God instructed us to do, in the moment, because tomorrow is promised to no one. God speed Dan.

“ Our love and remembrance to the family. Dan was a loyal friend and classmate. He will be sorely missed. He never missed our high school alumni get togethers until sickness overcame him. Rest in peace dear friend!
