“ Vicki, Allison, Daniel's wife and kids, I don't have words to express how this has affected me, and I can only imagine how it's affecting you. Daniel was a light with his beautiful smile and blue eyes. We grew up together. I've known him since preschool. He was always a friend to everyone. He was nice to the people most weren't nice too. He always had a joke or a smile to make you feel better. He was a goofball. I remember being paired with him in 10th or 11th grade to do a project and I have to say I wasn't that excited. He wanted to do our project on Tupac. I didn't know anything about him. He's a rapper that died, gang stuff in California. Daniel took over our project, he made me see Tupac in a different way. He was an artist, he wanted better for himself and his people where he grew up. Tupac was a lot deeper than I'd ever known. And I have Daniel to thank for that and our A we got on our project. I'm sad we didn't keep in touch after highschool. I'm sad for a lot of reasons right now. Know he was loved and will be remembered fondly. I hope this brings you comfort in the hard days that are ahead. I'm always here if you'd like to chat. Love and hugs to you, Allison, and his wife and kids

“ As I'm writing this, "I can only imagine" is playing in my Pandora. Daniel, although we've missed some years, you were like a little brother to me when we were kids. When your dad would come over, I always loved seeing you and Allison coming with him! I can only imagine that you are surrounded by angels and in a peaceful serene. Sweetheart, go find your grandpas. And give my daddy a big ol hug! You're a Stockley...just might near family. You left this cruel world way too soon. Fly high sweetheart! Until we meet again...

“ *Vickie & Doug- I will always remember Daniel for his cute smile and sweet demeanor. He was one of the first people I met from Oneonta. I'm thankful to have had him as a friend and a neighbor. Please know that my family loves you both very much. May you be comforted by the outpouring of love surrounding you.*

“ *Vicki, my heart and prayers go out to you. My daughter, Natalie Trantham graduated from high school with Daniel. I always remember his big beautiful smile and working the concession stand with you at football games. One of Natalie's and my fondest memories of Daniel was their Senior year at the Powderpuff Football game seeing Daniel , Steve Bahena and Taylor Jennings dressed as cheerleaders! This is how I will remember Daniel, and you will, too, in time. Please know that I am thinking of you all and you will be in my thoughts and prayers. Winnie Trantham*

“ *Daniel and i were on the track team together in high school. He taught me the form to jump hurdles, and how to stretch out my sprint to get one less step. You will always be on your jumping foot 1 step before the hurdle. He was a good friend and a great person. You will be missed.*
