“ *Deberah and I found each other about 4 years ago through Genealogy. She was my dad's niece. I am so proud I got to meet her and her family. She and her husband Dan came out to Los Alamos, New Mexico for a visit about two years ago. It was the first time we really got to see each other for a couple of hours. It was so very nice. I wish I could have known Deberah a lot longer. Deberah, I miss you. Tell my dad hello for me when you see him.*

*Your loving cousin, Julie Walls*

“ So sorry for your loss. I went to high school with Debbie at Ensley High school. Then we lived together for a while in our twenties. We didn't stay in touch over the years but recently found each other on Facebook. Precious lady. Praying that family will find peace and comfort in Jesus. Linda Blair
