“ *I have many great memories of you as I was growing up. One that comes to my mind was while on a family trip to the beach. You rented a jet ski for me to drive and how my mom was freaking out because I was going so far out from the shore and you just laughed and tried to calm her fears and told me to go have fun. Then, later that afternoon you paid for all of us kids to go to the amusement park and the next day we took a sightseeing helicopter ride over the beach. You were so much fun and always so giving. Thank you for everything. I love you and will miss you Uncle Derryck.*

“ *My Uncle had the best smile. I keep seeing that smile. It feels as though he has sent it to me for comfort and to tell me he's in a happy place. I will miss your smile. I will miss your laugh. I will miss how much of a character you were. I will miss watching you share stories with my parents about old adventures & new. It's an amazing thing to watch; people who have known each other over 50 years. I will miss you Uncle Derryck.*
