“ You are missed every single day. October is hard Paw Paw. Kaleb made the baseball team. You would be so proud. He’s a jokester just like you and riddles are his favorite! He’s growing up on me. Him and Carter are thick as thieves. You should see how big Carter is! You said he was gonna be bigger than Kaleb and I think you were right. He’s our gentle giant though. Heart of gold and so sweet and loving. He talks about you often even though you went to be with Jesus when he was only 4 months old. He talks about how beautiful heaven must be and how happy he knows you are there. While I’m still thankful that you aren’t suffering, sometimes I just wish you were here. It’s just not the same without you. You would be so proud of Momma. She’s still got your heart of gold and she still is there for everyone just like she’s always been but she’s finally learning to say no and not feel bad about it. I know it’s hard for her not having you here but she handles it the best she can. She misses you. We all do. We love you Paw Paw ❤️

“ Paw Paw, not a day goes by that I don't think of you. There is so much I miss about you. Your little buddy's little heart is still broken because you're not here. He misses you. He cried at his first baseball game because you wouldn't be there to see him play, he cries when certain songs play and a couple weeks ago at church we sang Amazing Grace and he just couldn't hold it in. I am struggling today. Carter took 2 steps this morning. I wanted to call you and tell you that fat boy is trying to walk. But I couldn't. Kaleb has another game tonight, I wish you could come watch him play. He got a home run at the last game. He said it was for you. I hope you seen it. He was so proud that he helped his team win the game. Watch over us Paw Paw! Until we meet again, I love you and I miss you! ❤️ 😭

Daddy, I think about you everyday. It feels like a piece of my heart has been ripped out of my chest. My life will never be the same without you. I love and miss you!

“ *Daddy, God allowed me to have you in my life and be my daddy for 51 years. It feels like a void that can never be filled by anyone of anything. I have a empty feeling, like there is a whole and a piece of my heart is missing. My life will never be the same without you. You will always be remembered and in my heart. I love & miss you daddy!*

“ I have known Wayne for over 40 years and have never known a kinder family man. We worked at the same company several years and his whole life outside the work place was centered around his family. My deepest sympathy and prayers go out to Sue and the children. Their loss is Heavens gain.
