“ Just sitting here knowing that yesterday was a year ago already that you went to be with the Lord still brings me sadness. But, gives me comfort that you are no longer in a world of pain. I still catch myself looking at your phone number in my phone. And still have a voicemail saved just so I don't forget your contiguous laugh. I love you so much and I miss our daily phone calls. Give granddaddy a hug and kiss from Cin Cin. Miss you 💜
