“ *She was one special lady! She was a best friend to my sister as Helen went thru Kemo after surgey. Would never be able to forget how she always took special care of her and will be forever grateful. She was Helen's Best friend for years. One thing you learned ver6 quickly she loved her kids and grandkids. They had the best Gran in the world and you were all her life. May God bless you and give you strength to get thru this first Christmas without her. Praying for you all..*
