

## Dr. Guy Keeton

January 12, 1939 - October 26, 2024

Dr. Guy Herbert Keeton, 85, of Trussville, Alabama, passed away with his sisters by his side on October 25, 2024, following a short illness. Guy was born on January 12, 1939 in Amory, Mississippi. He was a member of Huffman Baptist Church. He is preceded in death by his parents Herby Keeton and Mildred Nabors Keeton, brother Eddie, and son Eric. He is survived by his sons Craig of Ashland, VA and Parke of Albany, CA, sisters Kay Keeton Farrow of Spring Hill, TN, and Brenda Keeton Legg of Trussville, AL, five grandchildren, and seven great-grandchildren.

Guy graduated from Woodlawn High School in 1957, and earned his BA from Samford University, MA from the University of Tennessee, Knoxville, and PhD from Louisiana State University, pursuing his passion for theatre and the performing arts over a career of 40+ years - first as Drama Director at Mississippi University for Women in Columbus, MS, followed by the Westminster Private Academy in Atlanta, GA.

His kindness, generosity and compassion were his hallmark traits, as was his fondness for jokes and puns. We will never forget all the love, humor, and stability he created and gave to us, while never asking anything in return. We invite all contributions to go to Saint Jude's Research Hospital, honoring Guy's legacy.

“ I remember hanging out in Guy's office with others...he was a wonderful mentor. I graduated from the W in 1974. As his assistant director for the last show of my senior year, I learned at the feet of a master craftsman. Thank you, Guy.
