“ Dwight was a good friend of mine. We graduated from high school together.  
We also lived close together and carpoled to school together.  
So so sorry and thinking of all the family.  
Prayers for you all.

“ Dwight was my first best friend. We bonded in first grade and were inseparable for years. In high school Dwight became more and more of a loner. He remained active in school affairs but at night and weekends he did his own thing. He was not involved in the frivolous stuff the rest of us were. He was mature for his age, an old soul so to speak. He had a keen intellect and was a natural athlete. We lost track of each other in later years. When I heard he was going to Vietnam I was deeply troubled. It was considered a death trap. He survived though through guile and hunter wit. We saw little of each other in our later years but the last time I was in Amory he and Bob Akins came to see me and we spent the afternoon visiting with Jimmy Downs, Jimmy Glen And Sam Stevens. He was somewhat sick at the time but was having a good day. I am so glad I was able to see him again. So long old friend, you will be missed. I will see you again. David Palmer
