“ Marvin will be missed for so many reasons! He always seemed to appear at my desk whenever I needed a pick-me-up and always had a smile on his face. We bantered back and forth for 20 years (as did most anyone who knew him). He was one of the first ones to visit and bring food when my father passed away and asked about my mom every time I saw him and was there when I lost her too. We worked on golf tournaments together during all those years and I looked forward to his bag of pecans every Christmas. The Alabama Power family won't be the same without him!

*Many prayers for your family!*
