“ *Mother you were the best ever. You took care of us at an early age and you never stopped. I love you Mother and there could be no other. I will always miss you and I will think of you often. It would be selfish to wish you were still here, where now you have a new body, no pain and the best of all you are with our Lord and Savior Jesus. I will see you again, one day.*
With all my love, your son, Don!
