“ I will always call you Norma. Why? Because for some reason, I never could remember Erma when I met you and you would just laugh everytime I called you Norma.
You reminded me of Edith Bunker from All in the Family, at times. It was the way you would roll your head around and say "ooh" and it sounded like Edith and I would say "Archie!" like Edith. Again you laughed. When I think of you, Norma, laughter is all I remember.
Your laugh, your laughter, our laughter and sooo many laughs in our time spent to together. Even the last time you called me, we laughed so hard it hurt. GOod I will miss you but thank you so much for the amazing memories. I love you my friend. Until we meet again, Miss Hunkyfunk signing out
