“ *Fran found the greatest joy in family and has been a constant presence in their lives. Her love for William and Andrew will carry them through life. Whether watching football, setting off fireworks in the driveway, or taking them to every kid movie when they were little, her joy was in giving her grandsons love, attention and TIME. As the out-of-state grandmother, it always meant so much to me that she was there to shower them with love. Of course, Fran's family includes the Tiggers of this world who were lucky enough to pass through her yard looking hungry or alone.*

I am sad to have to say goodbye but grateful that she always included me in her family.

Love,

Marjorie
