

Frank Steven "Steve" Mauldin

January 21, 1964 - April 7, 2020

Frank Steven "Steve" Mauldin, age 56, of Springville, Al. lost his hard fought battle with lung cancer and grew his angel wings. Steve loved God, Jesus, life good friends but most of all his family. He also loved Alabama football and both playing and listening to music.

Steve never met a stranger and would help anyone in need. We will love and miss him forever. He leaves behind his wife of 31 years, Cyndi; his two children, Jairus Mauldin and Zachary Mauldin; one sister, Teresa Black; his aunts, Linda Barnett, Janice Thrasher (Ron) and Sandra Hodge (Billy); other relatives across the country; as well as every person lucky enough to call him friend. We are all heartbroken, but know his spirit lives on both in heaven and in our hearts. The family is having a private graveside service. A memorial service will be held later after the current circumstances become better.
