

Gale C. Morgan

October 2, 1941 - August 16, 2022

Gale C. Morgan was born in Gaffney, South Carolina on October 2, 1941 to Dr. & Mrs. Loren Lee Chastain and she was completely healed, body and mind, when she took her first breath in heaven on August 16, 2022.

Her son Loren Morgan, her twin sister Lelia and her parents preceded her in death. She is loved and missed by her daughter Margie Mayhew, her three grandchildren Caitlyn Elisabeth, Kylie Michelle and Drennon Thomas and her five Great grandchildren Axel Lynden, Adeline Kay, Teagan Faye, Lucas Lee and Colson Rhett and her sister Linda Ligon.

She had a dry wit and loved to laugh and we will always remember her giggle. Her sense of humor was always up front and evident and as an example, her grandchildren, after receiving "the look" no longer called her old but called her Fragile.

We are all thankful for the legacy of love she left, the wit and humor that she has passed on to us, that we WILL see her again one day and that Thank God she is no longer Fragile. A Celebration of her life will be planned at a later date so we have time to not be sad and we can

remember the sweet memories.
