“ *I noticed that donations in Garret's memory are requested to go to abused animals. This is something that Garret would have wanted. I also request that for any parent who has lost a child to drugs, please consider donating in Garret's memory to Rock Hobbs with Transformation Ministries. Rock had talked with Garret a few times in the past and has helped so many a young man with addictions.*

“ My sweetest angel on earth, my baby boy Garret. I know you are truly at peace! I also know that my heart is broken, my life as I knew it will forever be different. I do not know what to do now. I was so looking forward to you and Becca visiting me when you were settled in LA.

*There are no words to describe my pain, I do not believe that there are steps to grieving when a parent loses a child. You have always been in my heart, mind and remember; "Who loves you baby?"
