“ *RIP Gary*
I will never forget the great memories we had together on the schutzhund fields - the fun we had at these events was unbelievable and still make me smile today.
My favorite being in Belgium eating mussels after training everyday and laughing till the early hours of the morning.
You were so much fun and a great friend.
Our condolences to Pam and the family.

“ Gary was a wonderful unselfish man. I knew through the sport of Schutzhund. I can say without a doubt that if it wasn't for him I never would have had so much success competing at such a high level. He thought me so much. He will truly be missed. Rest in piece old fiend
