“ Gerald's is my sister's beloved husband. He will be remembered by myself as a sweet, kind and a wonderful brother in law. When my Mother passed we were all so devastated. My momma had an "old" antique wheel barrow. I use to decorate it with ,seasonal, flowers in her front yard. I had a special place in my heart for this ,worn out , piece of artwork!! Gerald took it and totally refurbished it for me. I remember how it ,then, touched my heart as it still does today. Every time I place flowers in it I see all the wonderful woodwork and the painting he did for me and I smile. I love you Gerald, I will carry this and ,oh so many, more memories of you in my heart forever. Hug Dawn and meemaw for me. Ralph loved you like a brother as well. We will see you again one fine day.

“ Gerald will be so missed. I used to enjoy listening to his stories while we sat outside waving to other neighbors as they passed by. I will always remember his special knock at our door when he would show up with extra veggies from his garden. Janet, my prayers will be with you and your family daily during this difficult time.
