“ Our family were neighbors and great friends to all the Neese Family. For 37 years we have watched Glen and his family love each other unconditionally. Glen made sure that Debbie, Jason and Brandy as well as their grandchildren remained cared for, loved and always supported. He loved Debbie beyond words can describe. She was the center of his world and he was hers. To know them personally has been our pleasure and blessing to our family. Their way of loving, respecting one another was admirable. Our family will remember what a wonderful man he was always. We will miss him. To all of the family we know your grief is deep. As well as your belief that God will be with you all. We will continue to pray for each of you.
