“ I have too many great memories to name just one. Aunt Hazel was my mom's second to the oldest sister. We come from a close knit family and always enjoyed being together! Out of the five sister's I have to say she was the most funniest! She always joked around and made people smile. She touched everyone that she crossed paths with. She is going to be loved & missed forever & ever! Until I see you again I love you aunt Hazel!!!! RTR ❤️
