

Herbert Dean Brewer

October 14, 1929 - June 25, 2016

Herbert Dean Brewer was born to John and Myrtle in Tarrant, AL, where he grew up as a child of the depression and learned the value of hard work. While working as a television repairman, he spotted the photo of the woman to become his wife of 62 years. Herbert had a long career as a communications specialist with the City of Birmingham, and retired at the age of 62. Although a man of simple tastes, he cherished a loving hug, a friendly joke and good “down home” southern cooking. He prized making things with his own hands and combined simplicity of design with carpentry to create all sorts of useful and beautiful items. Herbert is preceded in death by his parents and first born son, David.

He is survived by his loving wife, Martha; a daughter, Alisa Finney (John); a son Richard Brewer (Vickie); 3 grandchildren; Jeremy, Jennifer, Joshua (Liz); and 2 great grandchildren; Hanna and Savannah.

Funeral service will be at 3:00 pm, Tuesday, June 28, 2016 at Pawnee Baptist Church. The family will receive friends one hour prior to the service.
