“ Hunter was a great man. He adored his family and bragged on them a lot! Hunter gave great care to his family and friends. He was sincere and was always offering to help.
Shug and Cookie brought him great joy and he in return loved them completely.
I will miss him and am grateful for the opportunity to know him.

“ I met Hunter, Jr. about 15 years ago. Every conversation with him was kind and his actions were consistent. For example, if tree limbs fell in my yard, he would let me know he would help to get them moved. I will miss those "gifts of help" that he had. Another memory of a conversation we had was where he was talking about how people unfortunately do not give thanks to the Lord for their food. Lastly there was no doubt about it, he loved his dogs.

Our conversations may have been brief, but my heart goes out to his family. I am so sorry for your grief and will be praying (and have been praying) for your healing.

*Sincerely,
Vicki*
