

Isaiah Core, III

July 20, 1995 - June 22, 2016

Isaiah Core III, was born July 20, 1995, in Birmingham, Alabama. Isaiah accepted Christ at an early age and was a member of The Summit Church of Birmingham until his untimely death. Isaiah was a child of God, and he loved the Lord. Isaiah walked into the loving arms of his Lord and Savior, Jesus Christ on June 22, 2016.

Isaiah is preceded in death by his Grandfather, Eddie Thomas; Grandmother (NaNa), Sandra Core; and Uncle, Ken Davis.

Known to everyone as Man-Man, Isaiah was a son, a brother, a grandson, and an amazing friend to many. He was an avid lover of sports, and at an early age his athletic talents proved to be a gift that would take him farther than he could imagine.

Isaiah was well-known for his impeccable athletic ability on the football field and the basketball court. He was the starting point guard and quarterback for Huffman High School, where he was honored as Most Valuable Player for both sports. It was at Huffman High School where Coach Steve Ward took Isaiah under his wings and began to mold him into an awesome athlete and a respectable young man. Coach Ward played a very pivotal role in Isaiah's life; he was not only his coach but he was a friend and took on the role of a father-figure to Isaiah. Coach Ward was a great mentor, and Isaiah truly loved him.

Isaiah was not just athletically inclined; he was the true definition of a student athlete. He graduated Huffman High School in the Top 10 of his class and scored a 28 on the ACT his first time taking the test. He was an extremely intelligent young man. His athletic and academic gifts awarded him honors in scholarship offers totaling \$1.2 million.

Following graduation, Isaiah received and accepted an academic scholarship to LaGrange College in Georgia, where it did not take long for his athleticism to prevail. During his time there, Isaiah was named Rookie of the Week and Player of the Week. The next year, he transferred to Lawson State Community College, where he was a member of the Men's Basketball Program. In 2015, he graduated with Honors and received his Associate Degree in General Studies. Isaiah then received a full athletic scholarship to Miles College, where he attended in the Fall of 2015.

Isaiah was loved by so many and left a lifelong impression with all who knew and loved him. His smile lit up a room and brightened the day of anyone he encountered. He was blessed with a genuine love for people. He left with us memories of his humble, silly, and

beautiful spirit. He is resting in God's arms now.

“ Man Man Was Such A Loving, Motivating, And Careing Person. I remember When I Just Moved Down Here, Man Man And Gabby Played For The Seminoles I Went To One Of Their Games Because I Was Friends With One Of Man Man's Teammates But Besides That We Became Friends More So Like Cousins Because They Thought They Were The Only Mix Kids There But Nope Me And My Brother Arrived. Man Man Was So Motivating Of Me Being A Cheerleader I Use To Tell Him I'm Going To Cheer With Your Sister But I'm Scared I Remember Him Telling Me "Don't Be Scared, You Can Be My Personal Cheerleader If It Makes You Happy" From There On I Knew Man Man Would Be My Close Friend And Also A Great Leader. His Spirit Was Just Loving, Very Obedient, and He Was Such A Blessing. I Will Miss Him Dearly From Being A Great Friend/Cousin My Brother Will Continue To Be His Mini Me And Play Ball Just Like Him His Talent Won't Go To Waste Through His Family And Friends We Will All Ressemble Him. Rest Easy Baby Boy.

“ *Isaiah was surprised to know that I knew his entire family after keeping his class at Huffman High School his senior year. When I called the names of his mom, dad, grandparents, he smiled and agreed that this is a small world. He was very young when He visited his grandparents' church and was almost grown when I saw again at Huffman.
He was well respected by his peers, faculty and staff because of his awesome talent.
I love this entire family and share the sadness of the lost of such talented young man. God knows best and loves us all more than we can imagine.*

“ There's no better love than a mother's love for her children. It's a hard pill to swallow having to write a message for a son that I watched grow up. Yes I say son because we as park mom's call all children their sons or daughters. A great player of every sport and a kind hearted respectable young man. The one thing I always remember when u played with Kendall at MLK is you wanted the ball in your hand to win the game. That was the fight in you. Love that smile.
Rest easy my son.

“ I know I didn't know Isaiah that well because I graduated before he did but I'll tell you one thing he was a very talented athlete. I mean the rest of the guys on the court couldn't compare to his skill and ability. As I used to watch him play I thought man he could be the next Derrick rose or Stephen curry. But I send my condolences and prayers to his family and may God keep them
