“ Jackie was my first friend after moving to Bayou View in Gulfport. We played together, walked to school together and were friends since I was five. I didn't get to see her often, but when she came down for our 50th high school reunion and we had lunch, it was like we still lived across the street from each other and time had not passed. My heart hurts knowing she left us too soon. One thing I am sure of is that she is with our Lord. She was a lady of love & faith and Heaven is lucky to have her although we mourn. Prayers for Philip and the rest of her family. She will be missed!

“ She was such an inspiration to me. She encouraged me to get my Masters and to become a Professor. We worked in the classroom together. She gave me a pair of wool socks and \$50 when I went to New York.

“ *Jackie is my cousin and we grew up about 3 blocks apart. I spent many days at her house and have many, many memories and even spending one hurricane night together. We all went to the same church too. I have so appreciated all the facebook posts, pictures and stories of her kids and grandkids and getting to know them through her eyes. I will miss her and send my love and prayers to Phillip and all the kids and grandkids as well as to Virgil, Wayne, and Jeffery.*
