“ I will miss so much my friend Don. We played countless games of Chess. Don was a very good chess player! So many deep conversations about God and Theology. Learned a great deal from him. I was honored to be his friend. The Lord graciously brought us into each others lives and I will be forever grateful! Don taught me how to battle life's problems with grace and courage. Don, I look so forward to seeing you my brother in heaven when my time comes!
