“ *I knew Rev. Dolan for over 40 years as a pet parent at the 2 veterinary clinics where I worked. I knew him for his kindness and concern for others, often taking time to offer prayer in our waiting room for someone who was going through a hard time. I never saw him in a bad humor. He was always interested in what was going on in my life and he knew that I am a devoted Auburn fan. After Mrs. Dolan, also an Auburn fan, passed away he gave me her vintage pewter AU car tag. He said he knew it would have a good home. Of course, I still have it. I will miss him.*

*I just recently found out that Jimmy Dolan passed away last March. As someone else has already mentioned, his was always the first Christmas card I received, and I didn't receive one in 2022. I was one of Dianne's bridesmaids in their wedding in 1962, and I graduated from Headland High School in East Point, GA with Dianne. We were very good friends, and I always missed her after she and Jimmy moved to Alabama. She couldn't come to my wedding in September of 1964 because she was expecting Holly, and now I'm trying to get an address for Holly so that I can extend my condolences to her on the loss of her precious dad. Please let her know I'm trying to reach her, and that I would love to talk to her. I live in Marietta, GA and am on Facebook. She could send me a private message. Thank you SO much!
