“ My family and I lived across the street from Sonny and Linda for 10 years or more. It was through those years that I got to know one of the best neighbors and friends any family could have. Looking out my front door day after day, not seeing Sonny sitting in his garage or working in his yard, does not seem right. He seemed to love being outside, not really caring how hot it was either. Sonny was one of those people that if he was upset with you about something he would come talk to you about it, and never held a grudge. He will be missed by all who knew him and will never be forgotten. Jennifer, Rita & Larry Jones

“ Sonny helped me through the hardest day of my entire life....he worked with the love of my life, Jerry DeJohn, at station 16when Jerry was killed in 1984 by a drunk driver while working another accident on the interstate it was Sonny who was my honor guard for Jerrys funeral service..I have never forgotten his kindness..I have searched for Sonny the past few years to let him know just how much his kindness meant to me on that day...I am so very saddened to see he has passed away...my prayers and thoughts are with his wife and family...may God comfort you allJoni Crowe
