“ Jim was a dear friend. My son Mike Jackson is married to his daughter Gillian Hudgins Jackson. Jim was my favorite person to dance with of all my life. He would make you feel as if you were dancing on air. He always made me laugh. He would tell people that we shared the same grandchildren. I was able to visit him not long before he passed. I will always remember him and miss his company. Oh he also made the best margarita I have ever tasted. He will truly be missed by all who knew him because he was a wonderful man.
