“ Jimmy was responsible for introducing me to my husband Trevor Palmer. He and Trevor worked together making teeth. Jimmy and Jan and Trevor and I went out together many times. The two guys were hilarious together! They were crude but funny. One special time was in Navarre Beach when Jimmy and Jan lived there. We had so much fun on the beach during the winter time. We played with the seagulls (Jimmy's idea). It was a great weekend. I'll always be grateful to Jimmy for introducing me to my husband. Trevor passed in 2007, so now they can cut up together again in Heaven.....I hope.

“ Jimmy and I laughed a lot together. Special time in Jackson, Ms. sharing how we were so blessed. His kind hearted son also became my son. Our compassionate daughter also became his daughter. God put them together and multiplied our joy. Great and proud Papaw to the grandchildren of Granna and Pops. Great joy in times shared here. Greater joy to come thereafter. We love all you Millers more than we can express, and are so thankful for your bonds with your brothers and sisters named Grein and Terry. Granna and Pops (Barry and Diane Bearden) love you way beyond the moon.
