“ Miss you already Paw Paw. You were a constant in my life. Always knew I could count on you. At 19 years old I met you (before I met Chris). You were kind, gentle, and caring. Those 3 words continued to describe you for 30 plus more years. I'm so glad you were my father in love!

I will always take care of the love of your life-MiMi. I told you that at your last breath. We will see you again. Thank you for the best gift I could ever receive. Your last name.
