SB

I am so sad to hear of Randy's passing. He was a part of our family in 1970's while stationed at Ft Sill, OK. We roller skated a million miles at Eagle Park. My sister married his best friend at the time. While visiting my family recently, we talked about people from the past and Randy's name was at the top of the list. All our hearts were broken when we found his obituary. We had searched for him many times through the years. Such a sweetheart back then and I'm sure he never changed. So sorry for your loss.
